

Jimmy and Sue Johnson with Jackson, Marley, and Taylor

Hello from the Johnson's; Jimmy, Sue, Jackson, Taylor and Marley, the owners of Dog Days of Birmingham!

Our love of dogs provided us the direction we needed to take on this venture and our interest in living downtown provided us the location. Over the past two years we have researched dog services, traveled to other dog day cares and boarding centers and received dog behavioral training from *Barbra Waldare*, a nationally known leading expert in dog behavior and establishing a dog day care and boarding business. Barbra has over 29 years in the dog industry and is located in San Diego Ca. Sue is the CEO/Executive Director of Big Brothers and Big Sisters of Greater Birmingham. In fact, some of our staff will be young adults who have graduated from the Big Brothers Big Sisters program.

Our staff is trained to keep your dogs safe, make sure they play well together, have a good time and are happy when they are in the care of Dog Days. Our guests will not be confined to crates during the day except as requested by an owner during nap time. We provide all day supervised play with a pet care technician assigned to each dog group who will stay with the dogs all day and provide owners with a daily report of your dog's activities.

Our pet salon and experienced groomer are here to make sure your dog always looks its best. The on-staff massage therapist can help with any sore muscles or problems your dog may have. If your dog needs obedience training we have a trainer that can handle that. We also have a retail section that can help with your dog accessory needs, food and specialty items. When you need to get away for any reason we can keep your dogs for the duration. All dogs being boarded will participate in Dog day care groups during the day and will not be confined to their kennels.

Our philosophy is that dogs have feelings, they do get lonely and want to be with a "pack" which is part of their nature. We also feel dogs should be treated with respect and compassion at all times. Dog Days is here to provide that service to both the dogs and their loving owners.

Come see us at "Dog Days of Birmingham" where it is ALL about the dogs.

Jimmy and Sue Johnson
